

JMG All Purpose Cleaner

Our All Purpose Cleaner is a remarkably versatile and custom-formulated solution designed to tackle the toughest grease and grime buildup on commercial vehicles. It is biodegradable, non-caustic, and safe for use on 99% of surfaces.

Product Uses:

This single product meets all your transportation cleaning needs. It can be used on engines, wheels, rims, painted surfaces, dashboards, steering wheels, pedals, seats, stanchions, floors, walls, countertops, tables – virtually any surface.

PERFECTLY FORMULATED:

No dilution needed. It's ready to use.

VERSATILE APPLICATION:

Use in a trigger sprayer, pump sprayer, and in a mop bucket.

STREAK-FREE FINISH:

Leaves no residue, ensuring surfaces are clean and shiny.

ECO-FRIENDLY:

Made with environmentally friendly ingredients, safe for both indoor and outdoor use.
